Mr. Turner said he had brought to the attention of the City Manager that Council does not have a presence at the upcoming Heritage Festival. He said that he talked to the Mayor, adding it is a strict time frame since the festival is July 2.

Mr. Turner said if they were present, it would give them the opportunity to find out what people in the City are feeling regarding the new justice center and the possibility of the new city hall. He said they would have the opportunity to find out their concerns. He said it would give them first-hand knowledge, and allow them to explain their position.

Mr. Turner said this is a real opportunity for them to get out with the public. He said the Mayor has to wear many other hats that day. He said he did not know the situation for a spot at the festival, but was sure the Chamber would be willing to find them one. Mr. Turner said they need to pull this together quickly. He said he has not had a chance to sit down with the Manager to talk about the new City Hall. He said they need to know they may have to push it to the voters, and need to know how to explain it. Mr. Turner said it may be problematic, but they need to work it out. He said there is a time constraint.

Ms. Shaffer said she have had a presence, and to not have a presence would be unusual. She said she is unsure why they wait until the last minute every year. Ms. Shaffer agreed that they should have a few strategic items to put before the public with a community report. She suggested a big drawing of the new police station, adding that people gather around pictures. Ms. Shaffer said this is a great opportunity for them to have a presence with the community and outside the community. She said she would help.

Ms. Wallach asked Mr. Turner if he was looking for volunteers or approval, and Mr. Turner said he wanted all of the above. Mayor Fiala said Mr. Turner wants their input as to whether or not to do it and if they would be signing up to help.

Ms. Wallach said they have been doing this every year. Mr. Turner said no one has done anything yet. Mr. DeLeone said this is always when they do it.

Mr. Sidoti said he would be down there all day. He said he will be helping with Rotary, the Chamber of Commerce, and on the stage with the Bluestones. He said he was unsure of his other commitments. Mr. Sidoti said he was a floater the previous year, adding they can make it work.

Ms. Wallach asked if they had a motion, and suggested it be put on their calendar every year so they know they will be doing this every year. Ms. Shaffer suggested it be on May's calendar.

Mayor Fiala said they have a consensus. He said he would check with the Chamber for an available spot. He told Mr. Turner to work it out.

Ms. Shaffer said when Mr. Roberts was there, the City staff did the work. Mayor Fiala said Mr. Roberts did it on his own time with his own equipment. Mr. Sidoti said they are usually on the corner, and Mayor Fiala said he would see where they can set up. He said they need a table, tent, and chairs. Ms. Shaffer said she had a tent, and Mayor Fiala said they need to work it out. Mr. Sidoti suggested they could steal some chairs at 7:00 a.m. that day.

Ms. Wallach asked if they were done with that discussion, and Mayor Fiala said Mr. Turner was their chair for the event, although Mr. Turner said he was not sure about that. Ms. Shaffer asked who their point person was, and Mr. Ruller said it would be his office. He said they will gather information and be sure it is down there that day.

Mayor Fiala said he would check with the Chamber, and the rest can get with Mr. Turner.

Mr. Kuhar said his annual family reunion is out of the country that weekend. He said it happens every year, and he is always unable to attend the festival.

Ms. Wallach said the events of the previous weekend (in Orlando) were horrible. She said both the Muslim community and the LGBT community in Kent are on edge. Ms. Wallach said the City Manager is an eloquent speaker and writer.
MOTION TO AUTHORIZE THE CITY MANAGER TO SEND A LETTER TO THE RECORD COURIER AND THE AKRON BEACON JOURNAL TO SHOW OUR SUPPORT FOR THE MUSLIM AND LGBT COMMUNITIES.

Motion made by Ms. Wallach, seconded by Ms. Long.

Ms. Wallach said she works with a lot of the Muslim students on campus. She said the City's support would go a long way.

Ms. Shaffer said diversity should be emphasized. She said that is one of Kent's greatest strengths. She said they need to maintain an open dialogue to prevent anything like that. Ms. Shaffer said Mr. Ruller is good.

Ms. Long said she supported the motion, adding she has friends on campus and across the country. She said things are not good now, adding America does not look good across the country. She said Mr. Kuhar is leaving the country for a family reunion. Ms. Long said they have to uphold their freedom and what they have in this country. She said they cannot tear them down, and not make them divisive. Ms. Long said that Council, as elected people, must come forward and make a statement.

Mr. Ferrara said he was in favor of the letter, but would like to see it first. He said it is better if letters where from individual Council members instead of the City. Mr. Ferrara said if they wish to make a general statement, they should make it one that they will not tolerate anything like this. He suggested they not specify any religion or sexuality. Mr. Ferrara said they need to stress they will not tolerate those who do not tolerate the rights of all people. He said they are better off to make a blanket statement. Mr. Ferrara said he would leave the letter to Mr. Ruller but was not crazy about it coming from the City. Mr. Ferrara said they should write their own letter.

Mr. Turner said he liked what Mr. Ferrara said until he got to the City issue. He said that he felt that none of them do not feel that way. He said since they all feel that way, they can make a statement. Mr. Turner said if Kent wants to be a beacon, this is their chance. He said it should be about people going around, shooting people down because of their sexuality. Mr. Turner said they should be seen as one, not nine different views. Mr. Turner said the community stands for freedom and making sure everyone can exhibit their full selves. Mr. Turner said it will be difficult for Mr. Ruller. He said they all have the same view, and that should be something they stand on together.

Mr. Kuhar said the issue in Miami was very large, and a lot of people died. He said it was the same in Oklahoma City where a lot of people died. Mr. Kuhar said a lot of black people have been mistreated. He said he did not know what Mr. Ferrara was referring to, but liked what Mr. Turner was saying about what Kent stands for. Mr. Kuhar said he supports freedom for all races and religions. He said a lot of people are abused for their beliefs. Mr. Kuhar said their message should be they stand for freedom and equality.

Mayor Fiala called for the vote, and Mr. Kuhar asked what they were in favor of. Ms. Wallach said they can make it general, and says they support all citizens, regardless of their faith. Mr. Kuhar suggested they just remind people what this country is about. He said they may forget. Mr. Turner said that there are times when people make them forget, and they have to find themselves. Mr. Kuhar said if that does not work, they will put a wall around the City.

The motion carried by a voice vote of 9-0.

Mr. Ruller said the letter will be hard, but it is a great cause. He said the challenge is wording the letter carefully. Mr. Kuhar suggested he reread the Declaration of Independent.

Mr. Ruller said he will circulate the draft. Ms. Wallach told him he was an excellent writer.

Mr. DeLeone said this was Mr. Ruller's anniversary, adding he just received the rest of the evaluations. He said they need to get it done as soon as possible.
Mayor Fiala suggested they get it done before August 1, and Mr. DeLeone said he would do so.

Hearing no further business before this Council, Mayor Fiala adjourned this meeting at 8:25 p.m.
