

Mr. Ferrara's second comment was in regards to in person meetings, requesting Council meetings to be held in person. He urges Council to urge the administration to decide when and how future meetings will be conducted.

Mayor Fiala said this is being worked on, and that we are not like other cities who have City Halls and it is a bit more complex for Kent. He added the Community Police Academy will be held this fall and encouraged people to attend.

Ms. Shaffer Bish apologized for losing her connection during the meeting and wanted to make sure her vote was counted in favor of the Chimney Swift ordinance.

Mayor's Report:

Mayor Fiala said this week was the celebration of Ohio Goes Blue and Police Week and said it's a celebration and remembrance of those who lost their lives in the line of duty and those who are protecting us today. He said "God bless them, and I hope they go home to their families at the end of the day".

The Regular Meeting adjourned at 8:14 P.M.
